

File Code: 2630

Date: April 17, 2019

Dear Interested Parties:

The Madison Ranger District on the Beaverhead-Deerlodge National Forest is proposing two new projects that promote native fish species conservation. These projects include reconstruction of an existing dam and the construction of a fish passage barrier. Details and maps are provided on the following pages.

How to Comment

Please share your comments, concerns, or ideas with Dale Olson, District Ranger, at the Madison Ranger District, at 5 Forest Service Road, Ennis MT, 59729. He can also be reached by phone at 406-682-4253, or by fax at 406-682-4233. If you prefer, send your comments electronically to comments-northern-beaverhead-deerlodge@fs.fed.us and type the appropriate **Project Name** from the following descriptions in the subject line.

Your comments are welcome anytime, but will be most helpful if they are submitted by May 31, 2019. Comments in response to this solicitation, including names, postal and email addresses, and phone numbers will be considered part of the public record, and available for public review. If you do not respond to this letter you will receive no further information. However, you may always find information about this and other Forest projects on the web at www.fs.usda.gov/goto/bdnf/projects under the Forest Projects heading.

Sincerely,

Dale Olson
District Ranger
